

Vt. 494

Aerial view of St. Mary's Star of the Sea Roman  
Catholic Church, Newport, Vermont.

Photography by Frank L. Forward

Hi! This charming town  
(18 miles from us) is where  
we go once a week to do  
some shopping. For food  
we only have 3 miles to go.  
The weather was fine &  
we arrived in a lovely  
spring. Found "Haus &  
Hof" in good shape. But Vt.  
had a real old fashioned  
Winter.

Best wishes, Vera & Otto.
